

ELECTRIC VEHICLE SUPPLY EQUIPMENT
PROPOSED 5J-28, F.A.C., WORKSHOP OUTLINE

Rule 5J-28.001 – Definitions

- Defines commonly used terms pursuant to this rule.

Rule 5J-28.002 – Local Government Entities

- Establishes consistent rules that remove local government entity's ability to require EVSE installation or EVSE ready installation of infrastructure as a requirement for new or existing structure.
- Provides guidance on parking count procedures used by local government entities.
- Establishes rules allowing the operation of EVSE by local government entities.
- Establishes rules that allow government entities to enter into contractual agreements and offer incentives to businesses that provide EVSE infrastructure.
- Establishes rules that clarify local government entities responsibilities with respect to enforcing Florida Building Code.
- Establishes zoning requirements that allow for the installation of EVSE as accessory and primary use infrastructure.
- Establishes 30 day permitting requirement.
- Clarifies authority for EVSE parking violations.

Rule 5J-28.003 – Safety

- Adopts statewide standards from NFPA 70 for EVSE safety.
- Requires the EVSE owner or operator to inspect and maintain the EVSE to ensure compliance with this rule.

Rule 5J-28.004 – Installation and Design

- Establishes rules requiring the installation and maintenance of EVSE based on adopted standards.
- Establishes rules on EVSE design that meet adopted standards.
- Provides minimum parking space requirements for persons with disabilities for EVSE parking in addition to the requirements of s. 553.5041 F.S.

Rule 5J-28.005 – Signage

- Establishes rules for signage that limits the use of EVSE parking spaces for electric vehicles only and associated penalties for violations.
- Establishes minimum signage requirements for consumer protection and safety notifications.

Rule 5J-28.006 – Registration

- Establishes a no-cost EVSE registration process.
- Establishes limitations and exclusions from the registration process.

Rule 5J-28.007 – Prohibitions

- Establishes rules detailing prohibited activities.
 - Time based and other associated fees.
 - Method of sale.

Rule 5J-28.008 - Enforcement

- Provides for the issuance of an immediate final order as an enforcement mechanism for violation of this rule.
